

## e@syDrive® 4427

## Bestell-Nr. 1002 5621

|                   |                           |
|-------------------|---------------------------|
| Eingangsspannung  | 100 – 240 V AC / 50/60 Hz |
| Ausgangleistung   | max. 270 VA               |
| Ausgangsspannung  | 54 V DC / max. 38 V AC    |
| Schutzart         | IP 20                     |
| Gewicht           | 2,5 kg                    |
| Frequenzumrichter | e@syDrive® 4424           |

## Part No. 1002 5621

|                     |                           |
|---------------------|---------------------------|
| Input voltage       | 100 – 240 V AC / 50/60 Hz |
| Output power        | max. 270 VA               |
| Output voltage      | 54 V DC / max. 38 V AC    |
| Protection category | IP 20                     |
| Weight              | 2.5 kg                    |
| Frequency inverter  | e@syDrive® 4424           |
